D.O.No.G-20011/01/2015-RH(A/C)Part I

Dated the 23rd March, 2018

Dear Ms. Nanda

As you are aware, the exercise of appraisal and finalisation of Annual Action Plan(AAP) under Pradhan Mantri Awaas Yojana-Gramin(PMAY-G) for FY 2018-19 is currently underway in the Ministry. The AAP has been significantly redesigned to increase its efficacy as an instrument for planning and identifying gaps in implementation. Additionally, States have been requested to fill the online template of the AAP to allow creation of a rich database of information on crucial parameters related to the implementation of the rural housing scheme.

2. This data will be readily available on AwaasSoft for future reference of the States, Ministry and other stakeholders. It will also guide policy decisions in areas such as mason training, closure of Indira Awaas Yojana(IAY), enabling convergence etc. Moreover, the AAP will provide a clear road map for time bound completion of houses and serve as the basis for monitoring outcomes under PMAY-G.

3. Though most States/UTs have made significant progress in filling the online template, it is often observed that certain segments have been left unfilled or inaccurate information has been filled. Due to inconsistency or gaps in data, the Ministry is unable to finalise the AAP for certain States/UTs. It would not be out of place to mention that for want of completed AAP it may not be possible to release instalments in the next financial year. Hence, I would request you to kindly direct the concerned to ensure that the online template is filled as accurately as possible. This could go a long way in ensuring that reliable data is available both with the Ministry and the State to undertake a comprehensive review of all aspects of implementation. State may also like to get this information filled district-wise so that district-wise planning and monitoring at your level would be possible. All this would be contributing to achievement of noble goal of "Housing for All".

With regards,

Yours sincerely,

(Prasant Kumar)
