D.O.No. G-20011/1/2013-RH(AC)(Pt)

Dt. the 10<sup>th</sup> Sept.,2013

Ministry has moved a proposal to increase the national target for Indira Awaas Yojana in 2013-14 to 30 lakh houses. It is an addition of 5.20 lakh houses to the earlier allocated 24.80 lakh units. The proposal for the increase in targets has been sent to the Planning Commission for necessary approval and approval is expected to be received shortly.

*The State targets are to be revised accordingly and the category-wise distribution has also been prepared (copy enclosed). As part of advance preparation it is requested that you may kindly prepare the category-wise targets for the districts. Release of funds against these targets will be subject to approval of the Planning Commission and Internal Finance Division of the Ministry.*

I would also like to emphasise that the district-wise allocation needs to be made adhering to the category-wise targets allocated by the Ministry. The targets earmarked for SC/ST and Minority cannot be reduced. However, SC and ST targets can be interchanged. The district targets should be finalized after review of available beneficiaries. After this Ministry may not be in a position to accommodate changes in inter district allocation.

In view of the additional targets being allocated at this stage in the financial year it is requested that the implementing agencies be directed to expedite necessary work. Progress of work and expenditure and its reporting on Awaasoft has to be closely monitored by the State in order to be able to prepare the consolidated proposal to claim the second installment.

The district-wise targets may be sent to the Ministry at the earliest possible.

Regards,

Yours sincerely,

Encl : State-wise additional targets.
