

No.M-12018/03/2014-RH (A/c)  
Government of India  
Ministry of Rural Development  
(Rural Housing Division)

Krishi Bhawan, New Delhi,  
Dated: 23<sup>rd</sup> April, 2015

To

The Principal Secretary / Secretary (Rural Development)  
of all State Governments and UT Administration.

Subject: Indira Awaas Yojana (IAY) – Continuous registration of  
beneficiaries and freezing of sanction of houses in a financial  
year on AwaasSoft MIS - Regarding.

Sir / Madam

I am directed to refer to this Ministry's letter No.J-1507/01/2014-RH dated 2nd January, 2015 regarding the schedule of Advance Action Plan on IAY implementation for the year 2015-16, wherein it was interalia advised that the States may register eligible beneficiaries in MIS along with seeding of bank details / Aadhaar Number / Mobile Number and SECC-TIN. It was also advised that while registering the eligible beneficiaries, States may take 10% increase from the previous year's target and initiate the process.

2. In this context, it is to clarify that the registration of eligible individuals in the AwaasSoft MIS is a continuous process and the States can register any number of eligible individuals, through out the year without limiting it to the targets of any particular year. When all the eligible beneficiaries get registered, the same would also act as the Permanent Wait List for the state. The registered individuals who have not been given the benefit under the scheme during a particular year, will automatically get carried forward for consideration in the next year. The AwaasSoft MIS has provision for this functionality.

3. The above provision facilitates the States to use the registered beneficiary list on AwaasSoft MIS as permanent waitlist, from which the annual select list of beneficiaries can be finalized based on the target assigned to the State / District / Block. The State / UT wise registration of beneficiaries done on AwaasSoft MIS for the year 2015-16 is enclosed. The States / UTs which are lagging behind may ensure registering of the eligible beneficiaries on AwaasSoft.

4. It is further also clarified that sanction of houses, in respect of the beneficiaries finalised in the annual select list based on the target assigned for a particular financial year, should be got issued in the same financial year on AwaasSoft MIS by 31<sup>st</sup> December. In view of the time taken for processing at state and national level sanctions of houses issued for a financial year are to be frozen by 31<sup>st</sup> December. Sanctioning of house after 31<sup>st</sup> December to a beneficiary for that particular financial year is not permissible in AwaasSoft MIS. If a beneficiary in the annual select list could not be sanctioned a house in a financial year by 31<sup>st</sup> December, his name has to be included in the annual select list of the next financial year for issuance of sanction on priority.

5. It is requested that the above instructions may be followed with regard to registration and sanction of houses to beneficiaries under IAY.

Yours faithfully,

Encl: As above.
