The Secretary (RD)  
(All States/UTs)

Sub: Inter district transfer of funds under IAY during the year 2014-15.

...

Sir,

The Ministry has received requests from the State Governments for release of 2<sup>nd</sup> instalment during the year 2014-15. It has been noted from the MIS/MPR that large amount of unspent balance are available with the States during the current financial year. Requests from the State Government are being received for transfer of funds available at district/block level where the amount remains unutilised during the current financial year and there is demand for 2<sup>nd</sup> instalment for completion of houses in other districts in the State.

Keeping in view the unspent balance available with the States and for efficient management of funds and completion of houses, it has been decided that the State Government may utilise surplus funds at the district/block level by transferring it to other districts where there is demand for the same. The State Government may distribute the available fund to the districts under intimation to this Ministry.

Yours faithfully,
