

No. M-12018/3/2014-RH (A/c)
Government of India
Ministry of Rural Development
(Rural Housing Division)

Krishi Bhawan, New Delhi

Dated: 12.12.2014

To,

The Principal Secretary/Secretary,
Department of Rural Development,
All State Governments/UT Administration.

Sub: Issuance of Sanction Orders against allocated targets on time.

Sir,

I am directed to refer to the above cited subject and to say that it has been observed that against the target allocated, the Sanction Orders in favour of the registered beneficiaries are not being issued during the same year. In some cases against the left over targets, Sanction Orders are issued during the next financial year and subsequently requests are being received from State Governments to reflect the balance Sanction Orders in the year corresponding to the allocation of targets. The Scheme Guidelines as well as AwaasSoft parameters do not allow this.

In this connection, it is clarified that, the Sanction Orders be issued only against the year of allocation and will be accordingly reflected in database of AwaasSoft as per the date of issuance. Non issuance of Sanction Orders by the States could lead to reduction of targets.

Yours faithfully,

(S. Rakesh Kumar)

Dy. Secretary to the Govt. of India
