November 2, 2018

Subject: Pradhan Mantri Aawas Yojana –Gramin (PMAY-G) – Targets for completion by March 31, 2019.

Dear Shri Reddy

As you are aware, Pradhan Mantri Awaas Yojana - Gramin (PMAY-G) aims at realizing the goal of 'Housing for All' by 2022. Accordingly, 1.0 crore houses are to be completed in three years, i.e. by March, 2019. Significant progress has been made in this direction at the national level since its launch by the Hon'ble PM on 20th November, 2016.

2. For smooth implementation of PMAY-G, timely flow of funds to the beneficiary is one of the prerequisites. Non-availability of funds in the State Nodal Account might adversely affect the progress of construction of houses thereby impacting the timely achievement of the target of completion of 1.0 crore houses in the country. I would like to bring to your kind notice that your State has not submitted proposal, complete in all respects, for release of **2nd installment** of 2017-18. It is mentioned that sufficient funds are available at the Ministry level to meet the demands of States.

3. I would, therefore request you to direct the concerned officials to submit proposal, complete in all respects along with necessary documents, to the Ministry to enable us to process the release of balance installments under PMAY-G.

With regards,

Yours sincerely,

Prasant Kumar
