Sub: Mobile Application for Indira Awaas Yojana - Reg

Madam/Sir,

We are happy to inform that a Mobile Application (App) has been developed for the Indira Awaas Yojana and has been deployed at <http://www.iay.nic.in/netiay/home.aspx>. The Application translates the 'Inspection Module' currently functional in AwaasSoft onto a smart phone. It makes the inspection of houses and uploading of photographs much faster and simpler. It also enables capture of the geo-coordinates of the location along with the photograph.

The following are some pointers to be taken care of before beginning ~~begin~~ use of the Application

- The device/phone should have Android OS (preferably 4.0 or above), must be GPS supportable, should have an active internet connection and a camera.
- Beneficiary can use the App by identifying himself by means of her/his IAY Registration Number/ Mobile Number / Aadhaar Number /MGNREGA Job Card Number registered on AwaasSoft. Beneficiary credentials are verified through a One Time Password (OTP) sent to the Mobile Number of the beneficiary registered in AwaasSoft.
- Designated officials can use the App using the Block level login credentials.
- Atleast one photograph needs to be captured. A maximum of three photographs can be uploaded per inspection.
- The user has to freeze the location after the photograph has been clicked, to capture the geo coordinates.
- All photographs uploaded from the App will be visible to the inspecting officer for verification in the Block login. The officer may accept/ reject the photographs but cannot edit them.

- Process of inspection is completed only after the uploaded photographs are verified and accepted.
- The App can be used to verify houses sanctioned on AwaasSoft since 2012-13.

The district/block/gram panchayat functionaries may be directed to make use of the App for purposes of inspection. Demonstration of the App may be made part of any training imparted to the functionaries and beneficiaries. A manual for use of the App has also been made available alongside the App. Any difficulties faced, suggestions/feedback on the App may kindly be directed by email to iay-nic@nic.in.

Yours faithfully,

(M. Ramakrishna)
