Sub.:- Meeting to consolidate lessons learnt and sharing of experiences on training of masons for rural housing – Reg.

Sir/Madam,

I am directed to say that Ministry of Rural Development with an objective of improving the quality of houses had initiated the process of conduct of mason training. In this process, States such as Jharkhand, Maharashtra, Uttarakhand and Chhattisgarh have completed pilot training of masons covering about 200 masons. Further, States such as MP, Gujarat and Rajasthan are at different stages of implementing the pilots.

2. In this connection, it is stated that the experience of the States who had already initiated the process of mason training can be of immense value to others States who are yet to begin this journey. Accordingly, a meeting is being organized on 10th November 2016 at Unnati Conference Hall Krishi Bhawan, New Delhi from 1000 hrs to consolidate lessons from the experience of the pilots for cross learning between States.

3. Keeping in view the importance of this meeting for taking up mason training in the State, you are requested to nominate officials who are dealing with the aspect of training of rural masons in your State to attend this meeting. States that have completed the pilots are requested to make brief presentations of their work highlighting lessons learnt for scale up.

4. A line of confirmation indicating the names of the officials nominated to attend the meeting may please be sent to satyakam.yadav@nic.in.

Yours sincerely
