dealing with Pradhan Mantri Awaas Yojana (PMAY-G).

Subject:- Convergence of Pradhan Mantri Awaas Yojana – Gramin (PMAY-G) with Pradhan Mantri Ujjwala Yojana (PMUY) –Regarding.

Sir/Madam,

You are aware that one of the main objective of Pradhan Mantri Awaas Yojana – Gramin (PMAY-G) is to provide basic amenities to the beneficiaries through convergence. In this direction, Ministry of Rural Development has taken up the matter with Ministry of Petroleum and Natural Gas for providing LPG connection to the PMAY-G beneficiary through convergence with PMUY.

2. Accordingly, the details of the beneficiaries of PMAY- G who have been sanctioned houses are being shared with the Ministry of Petroleum and Natural Gas on fortnightly basis.

3. In addition, Ministry of Petroleum and Natural Gas has desired that to ensure safety of utilisation of LPG, it is essential to have the stove at a height of 1 meter above the ground on a slab and the recommended dimensions of the slab are 86 cms (length) and 55 cms (width).

4. Accordingly, you are requested to ensure construction of a slab as per the above specifications in the kitchen of every PMAY-G house, on top of which a stove with LPG connection can be kept.

Yours faithfully,

(M. Rama Krishna)
