Sir / Madam

You may be aware that Ministry of Rural Development is undertaking efforts at training of masons in rural areas for quality construction of Indra Awaas Yojana houses as well as other houses in rural areas.

2. In order to equip the rural masons with basic skill sets and capacities, the ministry has engaged with the National Skill Development Corporation / Construction Skills Development Council of India to develop a separate core 'Qualification Pack' aimed at rural masons for standardisation of Skill and eventual certification of the trained masons. The core Qualification Pack (QP) covers common construction technologies / techniques being practiced nationally. This also covers technologies that have the highest possibility of affecting the life of the structure and its inhabitants. Thus each of these technologies / techniques have been covered as a separate 'National Occupational Standard' (NOS) within the Qualification Pack.
3. In addition to the core QP, the curriculum will incorporate portions on imparting learning on regionally relevant construction materials, technologies as well as region specific disaster resilience features.
4. In order to finalise the Qualification Pack developed for training of rural mason, it is proposed to hold a workshop on 18th and 19th January, 2016 at NIRD&PR, Rajendra Nagar, Hyderabad. You are requested to participate in the workshop and share your valuable inputs for incorporating the same in the Qualification Pack. A line of confirmation of participation in the workshop may please be sent to the undersigned at e.mail : rakeshcarjk@gmail.com, Tel: 23381272, or Shri M. Rama Krishna, Under Secretary at e.mail : rama.krishna@nic.in, Tel: 23381343, or Ms. Anusree Raha at e.mail: anusree.raha@gov.in, Tel: 23389903 or Prof. Y. Gangi Reddy, Associate Professor, NIRD at e.mail: gangi1957@gmail.com.

Yours faithfully,

(S. Rakesh Kumar)
